EASY TO MAINTAIN

EASY TO OPERATE

FAST TRAVEL SPEED

Donkey Forklifts have a low operating weight and a fool-proof mounting system. They are suitable for single axle trucks. It dismounts and is at work in under 30 seconds. Smart backup alarms, strobe lights, a salt corrosion package, safety training manual and safety video are all standard features when you purchase a Donkey Forklift.

PRODUCT GUIDE

With an intelligent use of aluminum throughout, Donkey Forklifts keep weight low and strength high. The simple final drive design offers trouble-free operation.

Customized load spacing fits your needs. Donkey Forklifts have large, automotive style disc brakes on both front wheels that provide impressive stopping ability.

The spacious operator's compartment and centered driver's position provide superb visibility and comfort. Picture window visibility improves productivity and minimizes product damage.

Skid Steer Tire

Turf Tire

Terra Tire

BURRO®

For smaller jobs on improved terrain, ask about our Burro Truck Carried Forklift. Lifts 3,000 pounds to 65" and weighs only 1,400 pounds.
