

At Earthborne, we know that top-notch service and maintenance is an essential part to keeping all your trucks and equipment in proper working order. Our Service Department is staffed with factory trained and ASE certified technicians, with a fleet of over 10 service repair trucks for on-site field maintenance and repairs.

With two service centers in Warrington PA, we are open 7am to 10pm, Monday through Friday, serving the Philadelphia/Southeastern PA regions. Our fleet of heavy-duty tow trucks, road service/towing and hauling equipment are available 24 hours a day, 7 seven days a week for emergency needs. We repair all makes and models of **Construction Equipment, Agriculture Equipment, Asphalt Paving Equipment, Compaction equipment, Wood Chippers, Over the Road Trucks and much more.** Whether it be routine maintenance, inspections, towing or recovery, our entire service team is working to get you operational and profitable once again.

"Great UD Trucks service! Every repair they did on my UD truck was great!" - Shota Maisuradze

"Thanks for saving Emisunshine's summer tour by getting her back on the road in 24 hrs, a job that would have taken weeks at other places!" - Bill Hamilton

PLANNED MAINTENANCE SERVICE AGREEMENT

Planned Maintenance Service Agreements (PMSA) are designed to protect consumers against unexpected, costly repairs to their trucks or equipment. PMSA's offer the customer many benefits, including: eliminating the need to track maintenance; assurance that service will be performed correctly and on a timely basis; allows for pre-planning when there is less demand for the unit; ensures all replacement parts, fluids and lubricants meet OEM quality specifications to prolong the life of the equipment and most importantly improves up-time leading to more profit. Financing a new piece of equipment? The contract maintenance cost can be included in the equipment financing package. Don't wait till your unit is down! Speak to one of our Service Representative to learn how a PMSA can protect your bottom line.

TIRE SERVICE & SALES

Earthborne offers a full service, in-house tire department, specializing in all truck tires as well as compact and mid-range tractor and equipment tires. New, used, recapped, solid and foam filled tires are available along with a complete inventory of commercial tire hardware, tubes and rims. The Tire Department is also on call for Earthborne's fleet customers, 24 hours a day, 7 days a week. To learn more on how to become a fleet customer or if you have any questions regarding tires, please contact us today.
